Tesserent Academy 100 Challenge:

Pre-course Checklist

Items	Y/N
Please make sure you have a laptop for the week. This is required for your exam on Wednesday and access to PentesterLab on Thursday.	
Please make sure your link to the course workbook is working prior to the course. This is so we can troubleshoot any access issues earlier rather than on the day of the course.	
Please make sure you have used your unique URL to set up your PentesterLab account prior to the course. This is so we can troubleshoot any access issues earlier rather than on the day of the course.	
Please complete this quick form for your dietary requirement (due 3 business days before your course start date) **https://form.typeform.com/to/ngE6KD85**	
Please read and sign the consent form. This is for us to take pictures/videos throughout the week that we may use in public promotions of the program.	
Please prepare a copy of your CV and a brief video recording of yourself. We will send each of you a unique link to upload this to. This is completely optional and does not impact you in your attendance of the course. This is a way for you to build your profile within Tesserent so we can have your details on file for future job opportunities.
